

Ruth Waltrip

Administrative Specialist

Ms. Waltrip joined STI's Corporate Operations Department in 2017. Ms. Waltrip is the first point of contact for clients and vendors. She enjoys providing the very best customer service to all business partners. Ms. Waltrip has a background in varied administrative roles, which include financial and project support.

Before joining STI, Ms. Waltrip was the Engineering Administrative Assistant for Blentech Corporation, a manufacturing company in Santa Rosa, California, where she provided administrative support to engineers and designers. Prior to this position, Ms. Waltrip worked as a Project Management Associate for Fireman's Fund in Novato, California, supporting project managers with project status documentation and tracking of risks, issues, and project deliverables. Ms. Waltrip was also a Junior Business Analyst and Planning Analyst for GAP, Inc., in San Francisco. In those roles, she was responsible for budget forecasting and cost variance reporting, as well as project resource planning and vendor management.
